2,500 BENEFICIARIES | 1 YEAR

500 UPPER-LIMB + 2,000 LOWER-LIMB DEVICES

GUJARAT

RAJASTHAN

MADHYA PRADESH

MAHARASHTRA

JHARKHAND

VRUDDHI

Every Child Deserves
the Right Start.

Malnutrition in early life affects growth, development and the future potential of our children.

COMPREHENSIVE

Addressing nutrition, health, growth and development across the continuum

EARLY IDENTIFICATION

Regular screening, anthropometry and development tracking for timely action

HOLISTIC SUPPORT

Nutrition counselling, diet support, treatment, referrals and follow-up at every stage

COMMUNITY CENTRIC

Engaging families, strengthening local systems and building lasting behaviour change

HOW VRUDDHI WORKS

Community Mobilisation

Building awareness and engaging families

Screening & Assessment

Nutrition, growth, development and health assessment

Personalised Care Plan

Counselling, diet support and treatment/referral

Follow-up & Home Support

Regular monitoring and support for better outcomes

Community Improvement

Data-driven planning for large scale multi-year impact

OUR IMPACT SO FAR (Since 2023)

45

VILLAGES

60,000+

POPULATION
COVERED

ALL

CHILDREN, MOTHERS
& FAMILIES

3

YEARS COMPLETED
(2023–2026)

OUR NEXT GOAL

60,000+ LIVES

3 YEARS • SAME GEOGRAPHY

Continuing our large-scale, multi-year community improvement journey for stronger, healthier generations.
